SUBJECT: Revised National HUMINT Collection [redacted] 25X1  
 [redacted] 25X1

1. I am forwarding attached Revised National HUMINT Collection Plan [redacted] For internal control purposes we have assigned it FBIS Collection Requirement No. 82-22. This rescinds FBIS Collection Requirement No. 80-04 dated 20 February 1980 [redacted] 25X1  
 [redacted] and FBIS Collection Requirement No. 80-05 dated 20 February 1980 [redacted] 25X1  
 [redacted] The revised collection plan updates and consolidates the two original collection plans as a result of an assessment of HUMINT collection on these topics conducted earlier this year. FBIS Collection Guidance No. 82-08 on [redacted] 25X1  
 [redacted] issued on 9 August 1982, should provide useful supplementary guidance to the attached requirements. [redacted] 25X1

2. FBIS considers these firm requirements calling for the fullest possible response. You should use this plan as a guide to selection, processing, and publication of relevant material. [redacted] 25X1

3. An Official Use Only version of the collection objectives is attached for use by foreign national employees at Okinawa Bureau and by JPRS contractors. The classified version of the collection objectives and statement of the collection problem are included for the information of FBIS staff personnel in the bureau. There is no need to retain this classified material in the bureau after it has been read, since the Official Use Only version of the collection objectives should provide sufficient selection and processing guidance to bureau editors and monitors. The Office of HUMINT Collection has emphasized the need to control these documents to
